Re: Mohawk Utility Application to extend a Certificate of Convenience and Necessity.  
Docket No. W-02341A-06-0040 at Arizona Corporation Commission

Members of the Commission:

This letter will confirm that the Contract for Delivery of Domestic Water (#96-26-8-17-61) between Wellton-Mohawk Irrigation and Drainage District (W-MIDD), and Mohawk Utility Company (dated 19 December 1997), allows Mohawk Utility to deliver water only within the W-MIDD exterior boundary. The Northwest Quarter of Section 26, Township 8 South, Range 17 West, G&SRB&M, Yuma County, Arizona, lies completely within that W-MIDD boundary, and is understood by W-MIDD to be the expansion area in the CCN to be amended, and is also understood to be contiguous to the current Mohawk Utility delivery area. By such amendment and inclusion, Mohawk Utility has the right to treat and deliver domestic water, obtained from W-MIDD, to the described property.

Affirmed:
